### what our clients say about us

'I have worked with Joanne & her team for over 13 years. They have enthusiasm and an abundance of design talent and this coupled with their ability to deliver creative solutions both timeously and within budget makes them very valuable members of any design team.'

**Bob MacArthur Architectural Consultant**

We provide an independent landscape contract management service enhanced by our expertise in design, assessment and ecology. From project inception to delivery we coordinate our input with that of other design professionals to ensure delivery of an integrated and cost effective project.
